

About the Walkerville Rostrum Club

Our young Club (35) was Chartered in August 2018 with a strong group of enthusiastic members. We meet at the RSL Hall, 98 Walkerville Terrace on the 2nd and 4th Wednesdays for an hour from 12.30pm.

While many members are quite new, some are experienced and have transferred from elsewhere.

Rostrum is non-political, non-sectarian and is inexpensive and we enjoy the relaxed environment. Members learn verbal communication skills at their own pace. This especially assists those where English is not their first language.

Meetings are divided into the Business (Chairing/motions), the Speaking Program (making prepared and shorter speeches) and sometimes quite different and amusing exercises.

Finally, the Accredited Coach offers helpful, but also gentle feedback, with ideas on how to improve and also encouragement to persist.

Members only pay about \$2.00 per week to be a member. New members receive a valuable induction kit valued at over \$50.00. Visitors are warmly welcomed and may join in some exercises such as the icebreaker.

Develop your own speaking and leadership skills while having fun at our Rostrum Club.

It is a good place to listen to good speeches and presentations and interesting ideas and be challenged to develop and enjoy at the same time. You will learn to be a better speaker at short notice and listen to others the easy way. You will also learn how to manage a tough meeting

just come along for the fellowship and the fun if that's all you want. We are a mixed club with a wide age range.
